# 9 FULL-PACKED SECTIONS

That Make Drawing  
Easy on ABC

ALL FOR ONLY \$1

## EXAMS THAT WILL LEARN TO DRAW

It's Fun To Draw is a complete drawing course for children. It contains 9 full-packed sections that teach the basics of drawing. Each section is designed to be completed in one sitting. The course includes a variety of drawing exercises, from simple shapes to more complex figures. The instructions are clear and easy to follow, making it perfect for young learners. The course is suitable for children aged 5 to 10 years old. It is a fun and educational way to learn how to draw.

## What's in It?

- 1 full-length drawing course
- 100s of drawings
- 100s of exercises

The course is divided into 9 sections, each focusing on a different aspect of drawing. The first section covers basic shapes and lines, while the second section focuses on simple figures. The third section introduces more complex drawings, and the remaining sections cover various drawing techniques and styles. The course is designed to be completed in one sitting, making it a convenient and effective learning tool. The drawings are clear and easy to follow, and the exercises are designed to be fun and engaging. The course is suitable for children aged 5 to 10 years old. It is a fun and educational way to learn how to draw.
